From the Mayor . . .

Eight years ago, I started a push to get a sidewalk installed on Blowing Tree Road next to the one lane area. I am excited to announce the city has reached an agreement with the Meadow’s apartments and will soon be able to start that project.

Parks and Recreation

Tom Theiss

The annual Holiday Party will be held at the Nunnlea House on December 17th, from 2 to 5 PM. Once again, Santa is making himself available for pictures from 2:30 to 4 PM. We'll have finger sandwiches, cookies and beverages.

Leaf Collection Schedule

The city will be providing leaf pick-up again this year. Please have your leaves raked to the street edge (approximately 5 feet) and remove sticks, limbs and garbage. We have planned for three pick-up dates. Please remember that these dates can be affected by weather events. If the dates are altered a reach alert will be sent. Typically the dates will be for Monday and Tuesdays.

Monday November 6th

Monday November 20th

Monday December 4th

Police

Chief Steve Griffin

As we move into November, many of you will be making final preparations for the upcoming holiday season. As you plan your shopping sprees and look for all the big sales, please remember that thieves are also ramping up for the season. Make sure that you do not leave valuables in plain sight in your vehicles while shopping. Valuables in plain sight makes your vehicle a prime target for thieves that frequent the parking lots of stores and shopping malls during this time of year. If you plan on taking advantage of the

ease of on-line shopping, please make sure to track the delivery of your packages and plan to have someone home to accept delivery if possible. It's not uncommon for thieves to follow delivery trucks around looking for packages being left at houses with no one home. We have all seen the videos of "porch pirates" stealing packages off porches minutes after they were delivered. A little pre-planning and some simple common-sense practices will greatly reduce the chance of you and your family becoming victims of theft during the holiday season.

If you happen to notice anything in the neighborhood that seems suspicious to you, please call the Police Department immediately so we can check it out. Delayed notification severely hampers any opportunity for us to provide assistance if someone needs help, or to intervene if there is criminal activity going on.

If you see something, say something,
Chief Steve Griffin

Sanitation

Troy Eskridge

There will be a drop off event for hard to dispose of items on November 18th at UofL Shelby Campus, 440 N Whittington Pkwy. 10 am to 2 pm.

Accepted Items:

- Up to 3 [electronic](#) items including tv's
- Metal & appliances - no refrigerators, freezers, dehumidifiers or any items containing Freon (recycled)
- Up to 4 passenger tires (recycled)
- Documents for shredding (recycled)
- Prescription medication (disposed properly)

Thanksgiving Day – on Thursday, November 23rd, 2023 Sanitation services will be running on a 1-day delay on Friday. That means services will be picked up on Saturday morning.

Also, several residents have complained about trash cans and totes being visible and unsightly. Be a kind neighbor and make sure to

put your cans out late afternoon on the day before pickup service, and take them back from the curb on the same day as pick-up if possible. Also, it is a good idea to keep your cans hidden from view when not by the street for pickup.

Streets and Lights

Donna Nichols

The wind played havoc with our street light globes. I believe I have gotten all replaced/repared. If you notice one hanging down, please make me aware.

I am changing vendors for our city signs, due to the time and unwillingness of them to provide service when needed. I would like to thank the Mayor for his help in getting the Speed Bump sign moved on Hurstbourne Ln.

CITY OF HURSTBOURNE ACRES

Attorney's Report

Attorney Cato stated that in accordance with the Commission's instructions, he has sent a letter to Mr. & Mrs. McBride regarding a tree on their property on Blowing Tree Road. This tree poses a danger of falling which could damage to property or cause injury to pedestrians. All other legal issues will be discussed at the executive session scheduled for the end of the meeting.

Public Comments

The following comments were made:
-After a question from a resident, he was advised that some of the e-mails from the

new city website are not working, including the Mayor's. The Mayor and most of the other commissioners can still be reached using their old e-mails.

Commissioner Theiss has computer issues so at this point he can be reached by phone.

-A Bereavement Department is listed on the new website, and further clarification was provided by Attorney Cato as to how it could operate.

-A resident suggested adding an Ethics Committee Department to the new website.

-In other comments, a resident mentioned that a tree located on the property of the owners of the office buildings had damaged the fence of a resident on Addington Avenue. Also, there is another residence on Addington Avenue that has furniture sitting in their driveway. The Mayor said he would look into that. A resident suggested that as a courtesy to other residents, it would be appreciated if garbage cans be placed out of sight when not being emptied. It was noted that some of the financial statements can be accessed on the new website and others can't. Treasurer Bloomer said that as soon as the audit is finished, he will make sure that all financial statements can be reviewed. Lastly, to get the dead trees cleared from the berm behind the office buildings, Mayor McAllister will provide addresses for the property owners to Attorney Cato. They will be formally and legally notified of their obligation.

COMMITTEE REPORTS

Park

Commissioner Theiss announced that the annual city picnic was a success. He is working on getting more trees planted. There is also some tree damage from the storm that still needs to be addressed.

Sanitation

Commissioner Eskridge learned from EcoTech that they have had problems with getting and maintaining a stable employee base. This has caused some issues with consistent pickups. Finally, the City is waiting to hear from the nursery to plant the new trees that we requested.

Streets

Commissioner Nichols advised that she has had the 'No Left Turn' sign moved back to the concrete median. The State had moved it to the main entrance to the City. She is having the

speed hump signs moved to the proper locations. Lastly, with winter approaching, Commissioner Nichols has scheduled the street painting/stripping for next Spring.

Police

Commissioner Renninger confirmed that the vendor providing the snow removal is ready to go. Finally, she received a message from a person by the name of Megan Alonzo. She is a representative for a company that brings seafood up from the coast of Louisiana. She wants a place to park a truck in our City for about an hour per month out of which seafood could be sold. The proposal was rejected by the Commission.

Old/New Business

Sidewalk Project

A resident asked about the progress of the sidewalk project on Blowing Tree Road.

Mayor McAllister said that our city is waiting for some paperwork from the Meadows Apartments' attorneys.

Executive Session

There being no further business or discussion, Commissioner Eskridge made a motion to recess the meeting to go into an executive session to discuss the PuppyGram situation. The motion was seconded by Commissioner Theiss and carried without opposition. Once the executive session is complete, the regular meeting will be rejoined and then adjourned.

Respectfully Submitted,
Michael Bolten, City Clerk
