

REACH Alert is a communication system that allows a group to share information simultaneously with its members through texts, e-mails, and voice calls. From simple reminders to emergency alerts, REACH Alert can keep the residents of the City of Hurstbourne Acres informed of issues relevant to our City. Take a minute to sign-up so you can stay informed. It's easy to join. Just follow the steps below:

Log on to www.reachalert.com

Click: Create an Account (on the right side of the screen)
